

HELP US SUPPORT THE FAMILY & YOUTH PROGRAMS AT THE HEARTH PLACE CANCER SUPPORT CENTRE

March 2011

Thank you for supporting Saturday Night Fever in 2010. In May 2011, the Pink Opal Committee is again putting the "FUN" back into fundraising with a return engagement of a 70's themed dance to be held again at Enterprise Air Hangar, Oshawa Airport.

Please join us on May 28, 2011, as we host an event that's all about affordable fun while raising much needed funds to support the Family and Youth Programs at Hearth Place Cancer Support Centre. Your ticket to Saturday Night Fever... At the Hangar, will include dinner, dancing, door prizes, a silent auction, raffles and much more!

Hearth Place Cancer Support Centre provides a community of support to cancer patients and their families free of charge. They depend on fundraising events such as this to continue providing their programs to the many families coping with cancer. The Pink Opal Committee is a group of local business women who are committed to helping Hearth Place help our community.

Working together both corporately and socially, we can make this event a real success. To lend your generous support through making a monetary or prize donation or by purchasing tickets, please contact The Pink Opal Committee at any of the numbers listed below.

Sincerely yours,
